Using the reverse of this sheet, or an attached sheet, please provide a sketch identifying the property address, boundaries, the location of all structures on the property and distances between said structures and between the property boundaries. The sketch must also indicate the location(s) of the chicken enclosure and chicken house. A chicken coop and accompanying enclosure must be spaced at least 10 feet from any property line AND at least 25 feet from an inhabited dwelling other than that of the applicant.

Name of Applicant:
Address of Applicant and where chickens will be kept, if different than that of the applicant.
Please provide a description of the enclosure and chicken house, including materials used and
cubic footage(s):

SKETCH

(attach additional sheets if necessary)

I [PLEASE PRINT YOUR NAME],	, hereby certify that, to the	
best of my knowledge, the description of the enclosure and chick	en house, including materials used and	
cubic footage(s) and attached sketch[es] are a true and accurate	representations of the conditions found	
at the address listed on the chicken keeping permit application. I further understand that an inaccurate		
list may delay review of the project.
